Cowan Elementary and Middle School, Fleming Neon Middle School, Letcher County Central High School, Letcher Elementary School, Letcher Middle School, Martha Jane Potter Elementary, West Whitesburg Elementary, Whitesburg Middle School. We used our local gap goals to determine if our schools met their target for the 17/18 school year. This was a difficult task because our data was reported by NAPD calculations and not by an unduplicated gap group. We analyzed our data to the best of our ability and have identified the gap as an area that needs great focus and attention.
